

PNSW Marathon Series #6 Lane Cove River

(incorporating State Doubles Championship) - Sunday 23 May 2020

Welcome to Lane Cove River Kayakers hosting of race 6 in the PNSW Marathon Series incorporating the State Doubles Championship. Many paddlers would recall the fun we had at the 2019 LCRK Doubles Round with 86 doubles, 53 singles and 225 paddlers! Well it's on again!! LCRK offer an interesting 10km deepwater course starting upstream in a mangrove lined stretch of the Lane Cove River, opening out to the waterfrontages of Hunters Hill and Linley Point, with distant views of the Sydney Harbour Bridge from the bottom turn.

Racing Format

This race will be run under the normal Divisional Racing format (Divisions 1 – 13) with some minor changes to accommodate this as a Doubles Round & State Doubles Championships:-

- Regular Doubles combos should enter their regular Division
- New Doubles combos are not required to complete a ranking race but must enter one Division faster than the fastest ranked paddler (eg if a Div 3 paddler pairs with a Div 4, they should enter Div 2 for this round)
- Entries will be reviewed by the Marathon Committee and 'Fair Play' adjustments may be applied
- Division 1 will race 25km (self-promote if you wish)
- Mandatory portage for Division 1 on the mid-river sandbar at Fig Tree Bridge on the return from bottom turn (2 x portages for 25km distance).
