

Lane Cove is **staying dry** this Christmas

Build your own wearable boat at home and join us for
dry land boat races for all the family

Wednesday 16 December from 6.30pm

With categories of best single boat, best double boat and
best family boat, you (and your team) must be able to run
a short distance in your boat to qualify for a prize.

If we have time and enough interest we might have a
tug-of-war on the water.

The boat show will be followed by a Christmas **barbeque** and **awarding
of trophies** for Rookie of the Year, Most Improved paddler, the Coffee
Cup, Doubles Cup and the hotly contested Crudslime Cup.

Please **RSVP** to ruby.gamble@hotmail.com, especially if you have
children coming.

BYO chairs and alcohol.
